COMPUTATION OF ALLOCATED EXPENSES
January 1, _____ Thru December 31, _____

Instructions:

Prepare this schedule by furnishing complete and concise explanation of the method and basis for allocating expenses incurred as a result of receiving group management assistance or the manner in which the parent company charges any expenses to the subject carrier. If the carrier is a member of a division then the total amount allocable to the division must be shown with the amount assigned to the carrier and the percentile relationship the allocation has to the total. Also state whether the corporate overhead; i.e., group management and parent company charges remain as parent company or affiliated company expenses for income tax purposes.
